### **“HortEx Vietnam rescheduled to 1 – 3 March 2023”**

The organisers of HortEx Vietnam, Minh Vi Exhibition & Advertisement Services Co., Ltd (VEAS) from Vietnam, Nova Exhibitions B.V. (NOVA) from The Netherlands and Great Wall International Exhibition Co., Ltd. (GIE) from China, have decided to re-schedule HortEx Vietnam 2022 to 1 - 3 March 2023 due to the ongoing international travel limitations in Vietnam and beyond relating to the Coronavirus (Covid 19) situation.

HortEx Vietnam was originally scheduled for 30 March – 1 April 2022 but at the moment it looks unlikely that things will already return to normal and travel restrictions will be lifted in the first half of 2022.

Together with major stakeholders the organisers have chosen to re-schedule to the first quarter of 2023 as we would like to bring the most safety and highest benefit to the exhibitors and visitors of HortEx Vietnam.

The organisers are however planning a kick-off event, including seminars, business matching opportunities and a presentation of the next edition of HortEx Vietnam, in 2022. This will be extended with targeted seminars addressing actual topics on horticulture and floriculture in Vietnam. More information on this will follow in due course.

The organisers of HortEx Vietnam look optimistically to the near future and are confident that, as soon as things will return to normal globally, HortEx Vietnam will continue its growth path and enable local and international companies, within the horticulture and floriculture sector, to establish new business and/or strengthen their current business relations in this fast-growing region in Southeast Asia.
